

Winter Camping Kit List

We may get both wet and cold temperatures for our camp, which makes it very important that the cubs attending the camp to “be prepared” and have certain items to ensure they remain warm and dry. Please make sure your son has as much, or all of the following with him. It will also help if you can label everything with his name.

A - Essential items: Food and eating utensils/plate and bowl in a reusable bag
Mug (preferably unbreakable)
Water bottle, or bike type water bottle
Paper and pencil
Good winter coat (ski jacket) and snow pants
Good winter boots
Winter gloves/mitts (waterproof) at least two pairs
Warm hat
Pants x 3 (Sweats or jeans)
Sweatshirt x 3
Tee shirt x 3
Underwear x 4
Socks (At least 3 pairs)
Sleeping bag/pillow (REAL sleeping bag NOT indoor type)
Warm pajamas (and small friend!, teddy bear)
Soap and towel
Toothbrush/toothpaste
Small backpack / daypack
Sunscreen or sun block lotion
Sunglasses
Chapstick or other lip balm
Cub emergency kit if they have one

B - Useful items: Flashlight with new batteries
Sleeping pad or air mattress
Campfire blanket
Whistle
Compass (if your cub has one)
Heat packs

Please wear full uniform for traveling, we will change as soon as we arrive. Items that are **NOT** allowed, or required at camp are **pocketknives, electronic games, radios and matches.**

Please make sure any medication required by your son is clearly labeled, including dosage instructions, and handed directly to one of the leaders Saturday morning.

If you have any questions please call
