

## TIPS FOR KEEPING YOUR KUB KAR IN TOP SHAPE FOR THE RALLY

- DON'T RACE YOUR CAR ON THE GROUND, TABLES, ETC. YOU COULD DROP, STEP ON, OR OTHERWISE DAMAGE THE CAR. IT IS BEST TO KEEP THE CAR IN A SAFE PLACE UNTIL THE RACE.
- OILS AND OTHER LIQUID LUBRICANTS ARE NOT PERMITTED. WE USE A POWDERED GRAPHITE ONLY AS LUBRICANT. DO NOT SPRAY ANYTHING ON THE WHEELS OR AXLES OF THE CAR.
- DO NOT ADD WEIGHT TO THE CAR ONCE WE HAVE WEIGHTED IT. THIS WILL BE CHECKED ON RACE DAY AND ANYTHING OVER 142 GRAMS WILL HAVE WEIGHT REMOVED OR BE DISQUALIFIED.
- WHEEL BEARINGS, WASHERS AND BUSHINGS **ARE PROHIBITED**, SO DON'T ADD THESE TO THE CAR EITHER.
- CARS WITH LOOSE PARTS OR OTHERWISE DAMAGED TO THE POINT THAT THEY WON'T STAY ON THE TRACK WILL BE DISQUALIFIED.
