		DO NOT bring <ul style="list-style-type: none"> • electronic games, radios, phones, etc. • food for the tent or extra snacks
		MEDICATIONS Any prescription medication required by your Scout should be clearly labelled, including dosage instructions.

Helpful Packing Instructions

To the Parents/Guardians:

- Your Scout should pack on their own but some well placed help goes a long way.
- Remember, the packing list considers that your Scout will be outside for 45 hours

To the Scouts:

- Label all your gear
- Pack all clothing and sleeping items into plastic bags, then into a large bag to ensure they stay dry on the way to camp.
- Ideally, you should have one bag of gear and one day pack
- Bring a wet clothes bag to store wet clothes away from dry clothes
- You may wish to pack your PJs, socks and sleeping hat with your sleeping bag so it is all together and easy to find in the dark.

Items most frequently forgotten when going to camp

- Mess kit or mess kit components (plate, bowl, knife, fork, spoon, cup, mug)
- Ground pad (to put under a sleeping bag)
- Refillable portable water bottle (that you can hike with)
- Flashlights with fresh batteries
- Warm clothing for cold mornings and nights
